

rehearsal dinner guide

Do you offer rehearsal dinners on-site?

Rehearsal dinners do not take place on property, this is done off-site typically following the processional rehearsal here on property. We schedule processional rehearsals on-site usually between 11am -12pm the day prior to your wedding pending any event or scheduling conflicts. Our coordinator team will confirm your rehearsal timing once they are assigned (~60 days out).

Do you recommend any local places for rehearsal dinner locations?
