

Sample Ballroom Layouts & Linen Options

Your day-of-coordinator will create and provide a customized layout for you when it is time for your final walk through meeting (4 – 5 weeks prior to your wedding). In the meantime, please feel free to view sample ballroom layouts based on various guest counts.

Our round tables can seat up to 10 people per table (tables do not all need to be set the same). If you are planning on a guest count of 120 or more, we suggest doing as many tables of 10 as you can. Our largest head table can seat 16 people all facing the same direction, 32 people with guests on both sides.
